**The Surrounding Waters Of Mustang Island.** What beauty is there in the surrounding waters of Mustang Island? What fun activities are held there? Have any historical events shaped or enhanced our island's history on these surrounding waters? What man made or natural places on the waters captivate your eyes? Is it a mystery or tale of some larger than life figure sailing these waters? Is it the fishing, tourism or boating? Is it the wildlife? Do the fish, birds, plants or other wild natural features make you wonder? Write a poem about it! Let your experience of Port Aransas guide and inspire your contest entry. Send us your original sonnet, haiku, free verse poem, or any other poetry style you prefer. No poem should exceed twenty lines. Winning poems will be published in a poetry anthology at a later date. Honorable mentions for various poetry styles or forms will also be presented.

2022 Poems may be submitted through participating school faculty or electronically at [director@portaransasmuseum.org](mailto:director@portaransasmuseum.org). For more information please contact the Port Aransas Museum at [director@portaransasmuseum.org](mailto:director@portaransasmuseum.org).
